

## Front-flip Horse [A4 size 6 pages]

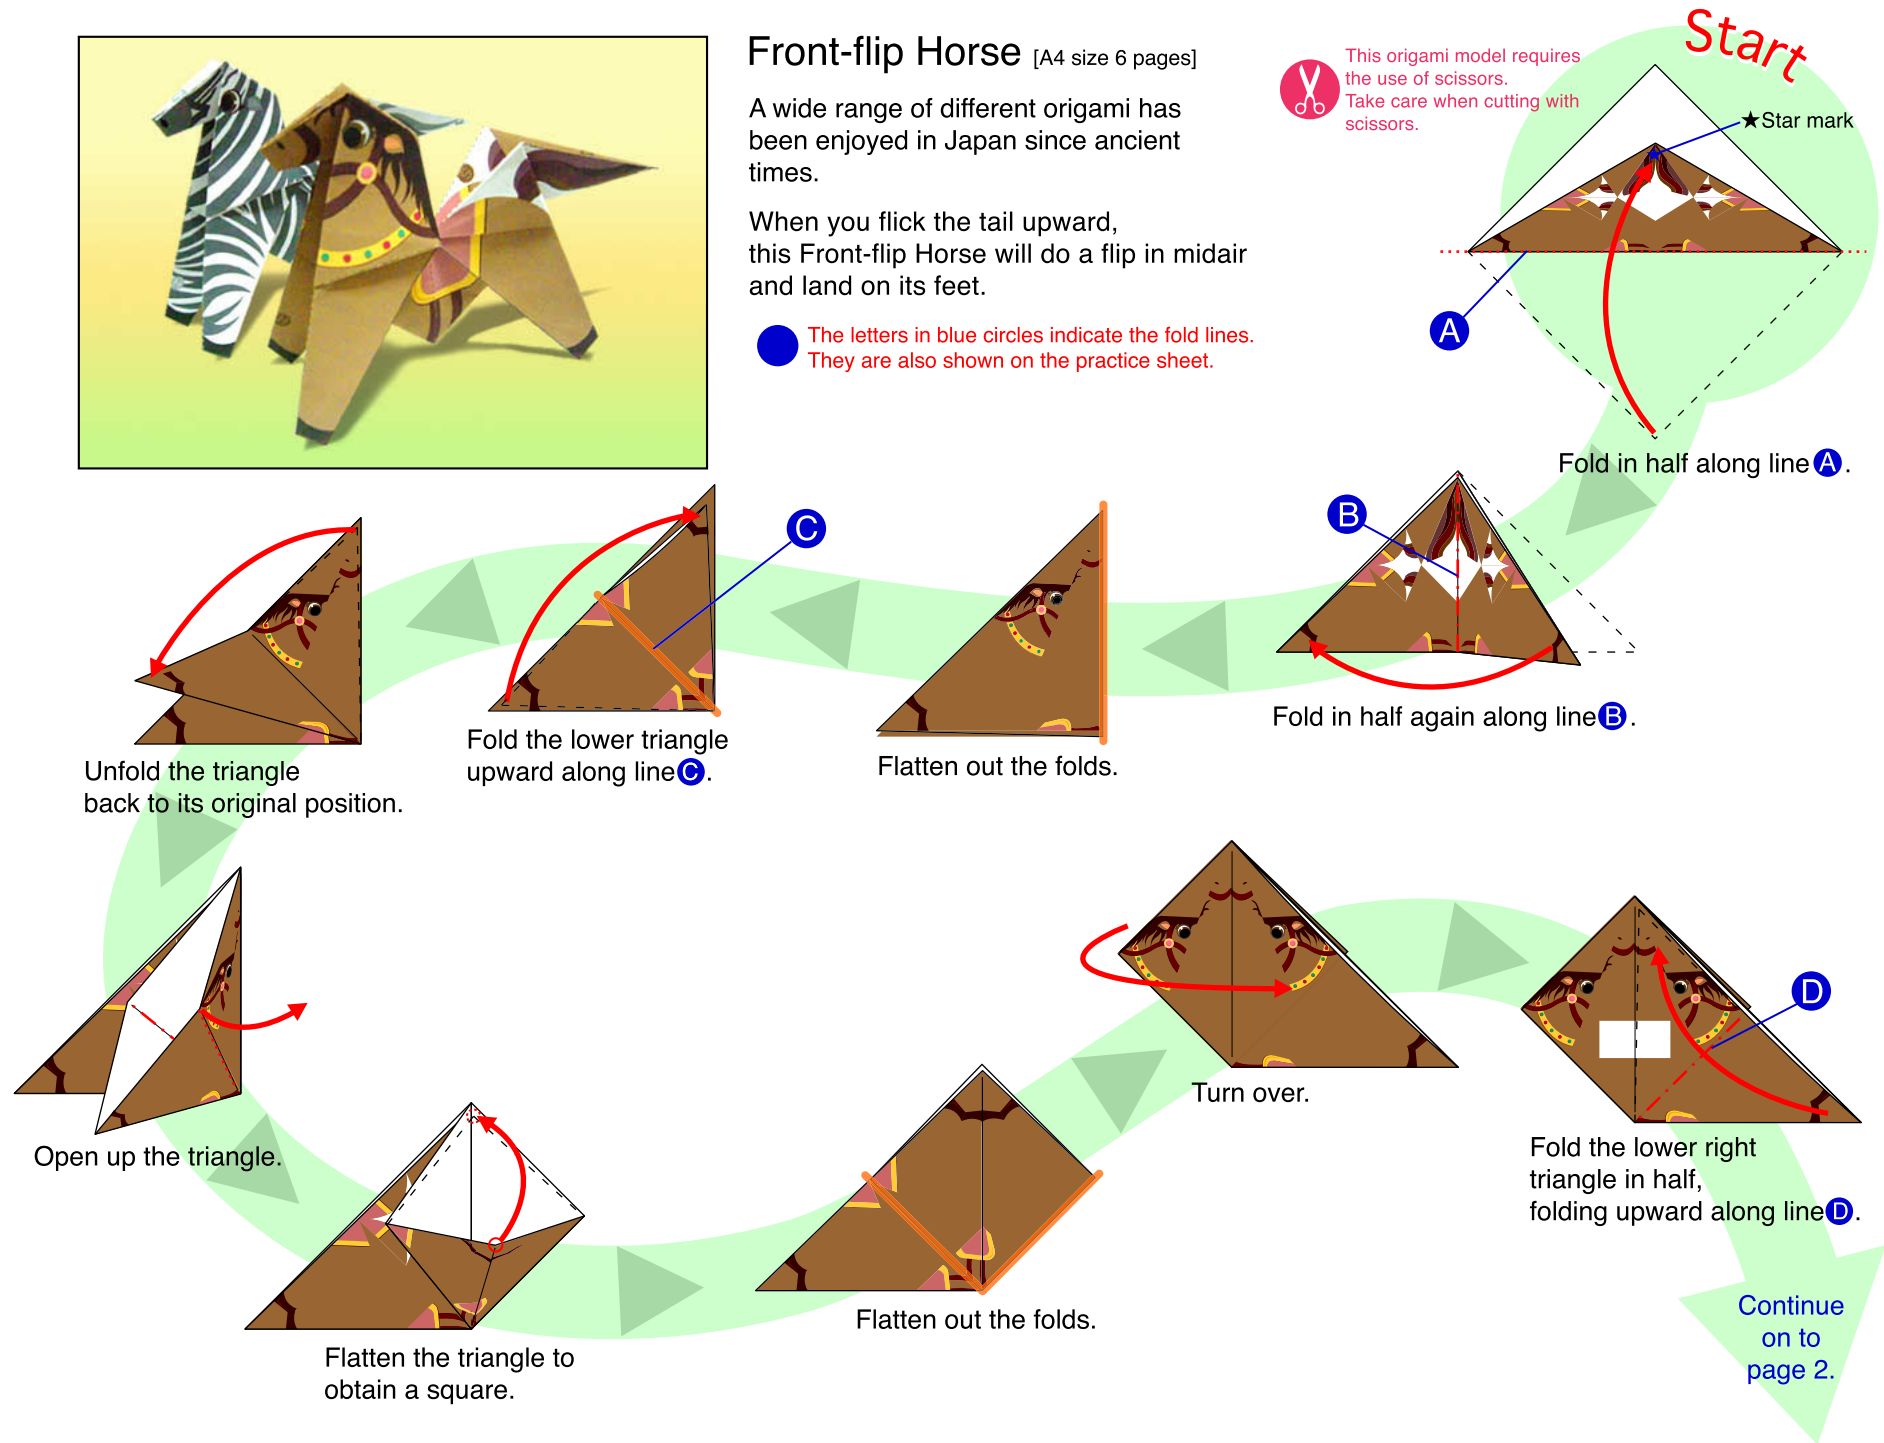

A wide range of different origami has been enjoyed in Japan since ancient times.

When you flick the tail upward, this Front-flip Horse will do a flip in midair and land on its feet.

● The letters in blue circles indicate the fold lines. They are also shown on the practice sheet.

This origami model requires the use of scissors. Take care when cutting with scissors.

Start

★ Star mark

Fold in half along line A.

Fold in half again along line B.

Turn over.

Fold the lower right triangle in half, folding upward along line D.

Flatten out the folds.

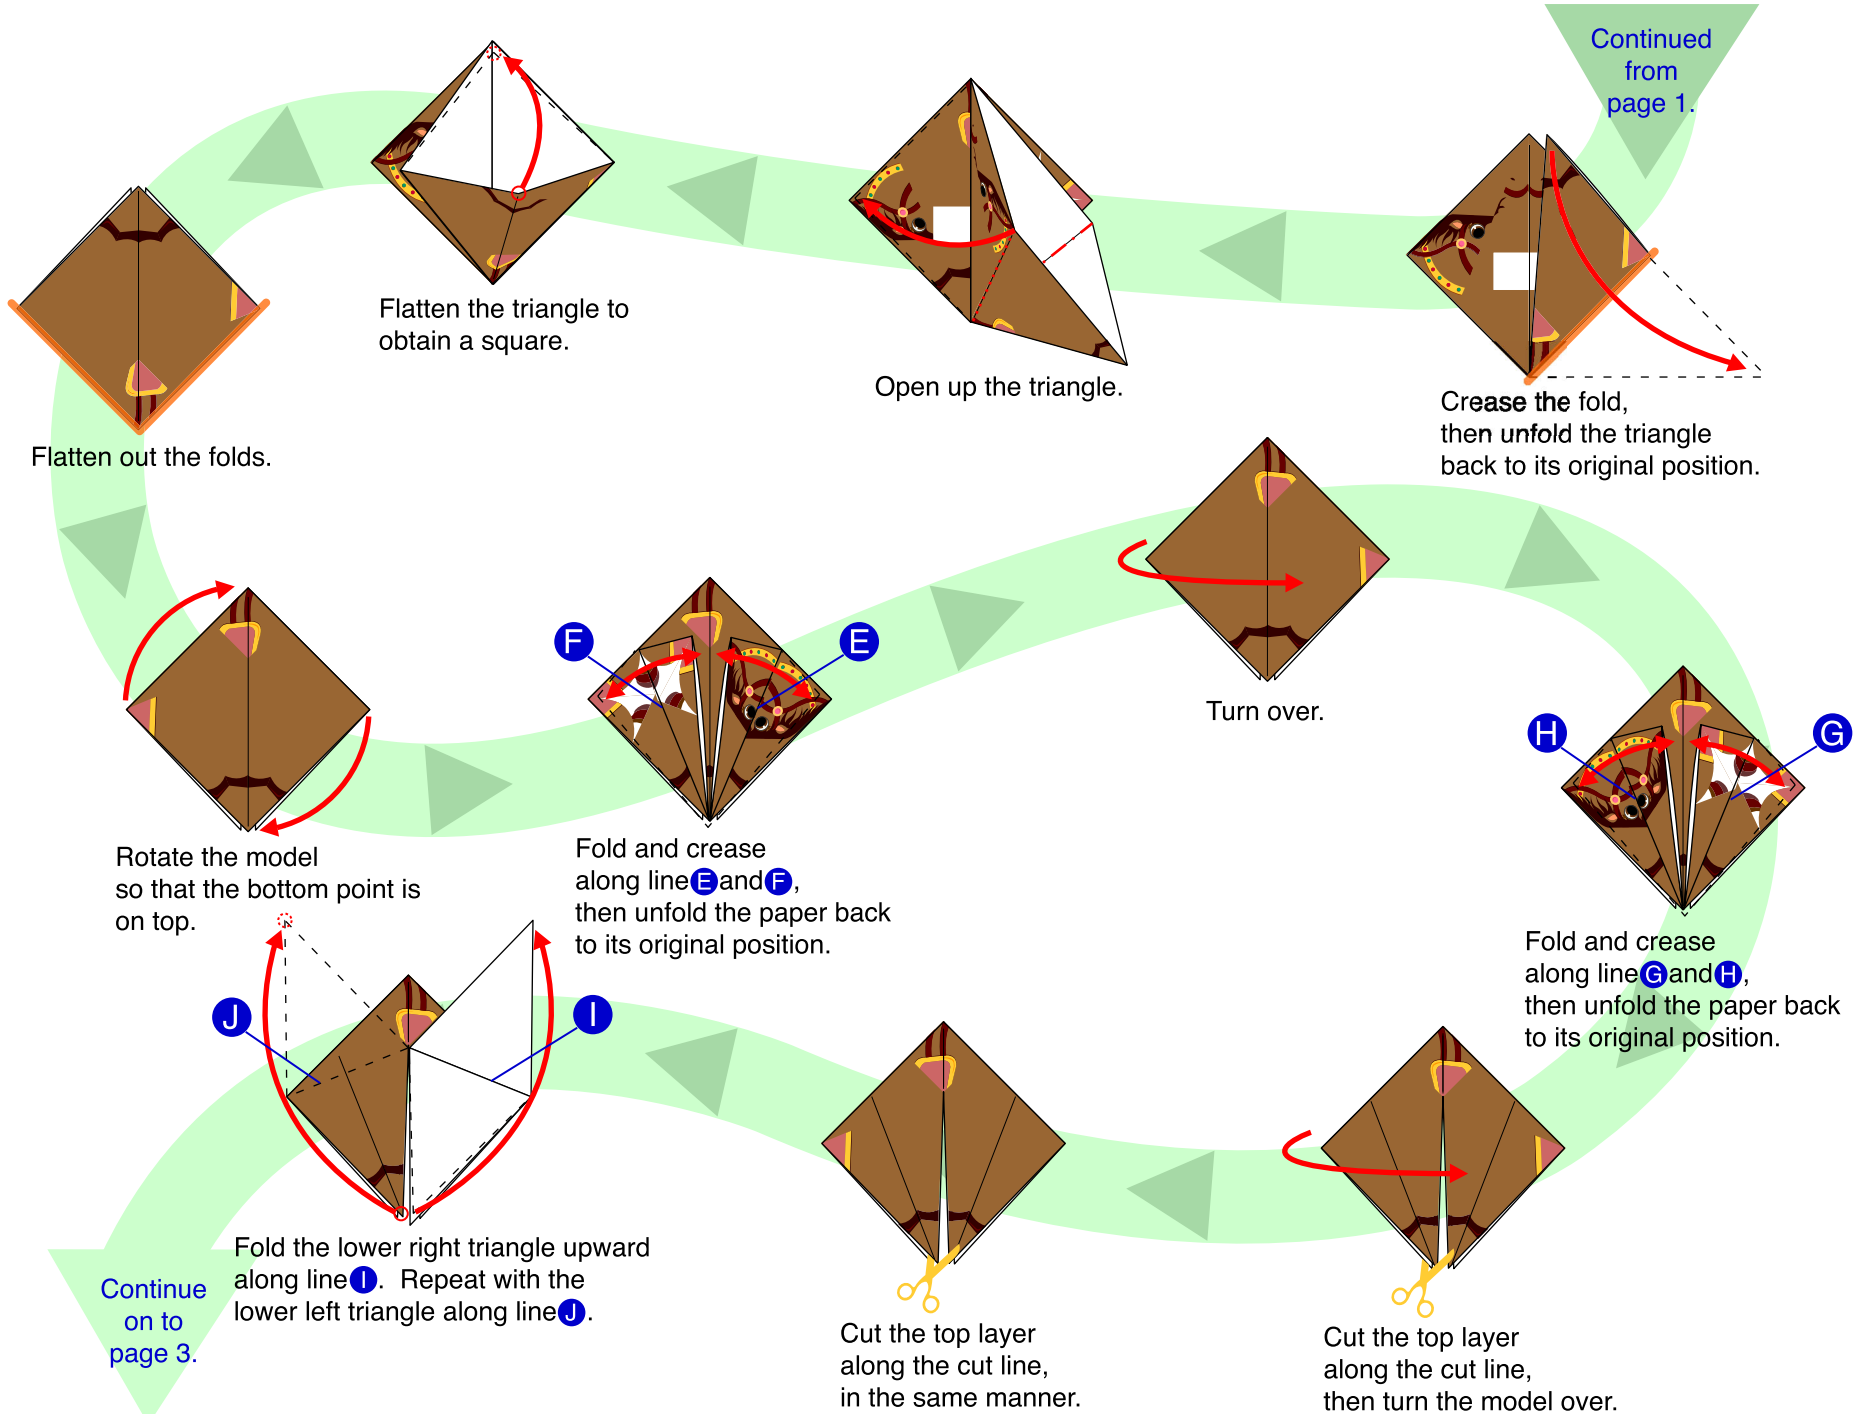

Flatten the triangle to obtain a square.

Unfold the triangle back to its original position.

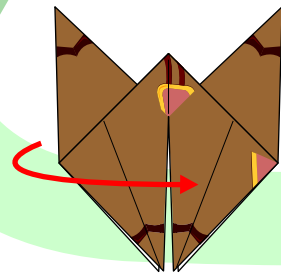

Fold the lower triangle upward along line C.

Flatten out the folds.

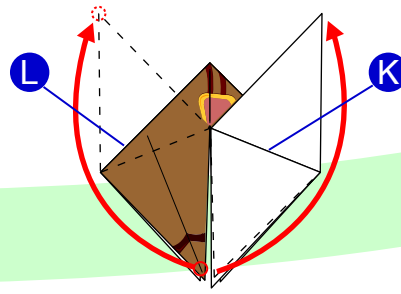

Continue on to page 2.

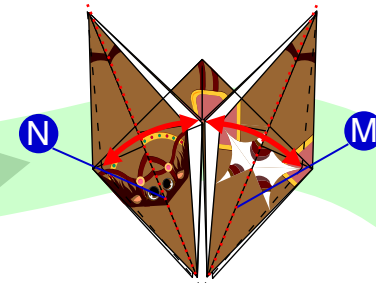

Continued from page 2.

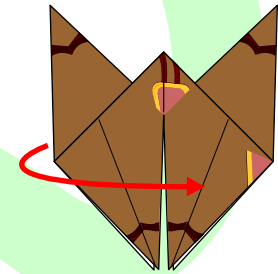

Turn over.

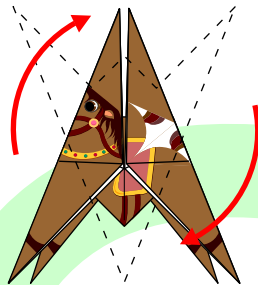

Fold the lower right triangle upward along line **K**. Repeat with the lower left triangle along line **L**.

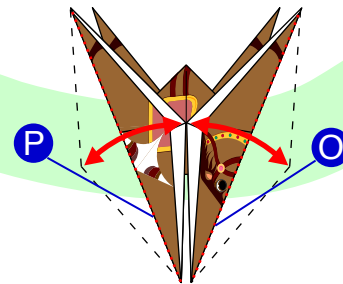

Fold along lines **M** and **N** to align the outer edges onto the center line.

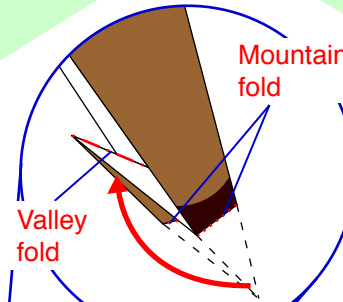

Turn over.

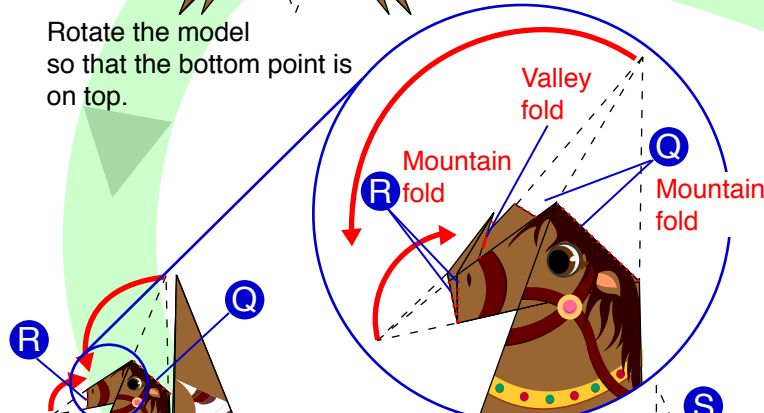

Rotate the model so that the bottom point is on top.

Fold along lines **O** and **P** to align the outer edges onto the center line.

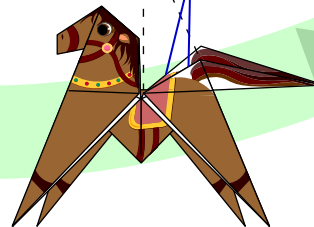

Folding the feet

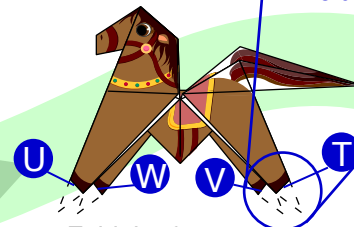

Folding the head

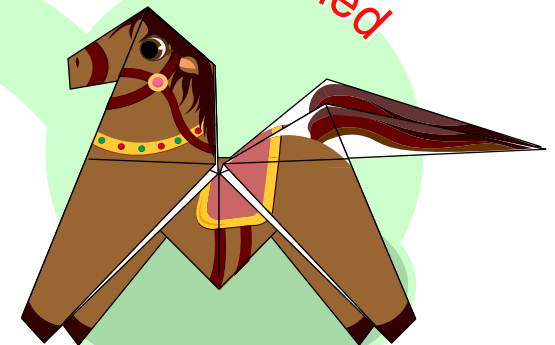

Fold the triangle on the left (the head of the horse) along line **Q**. Fold the point inward along line **R**.

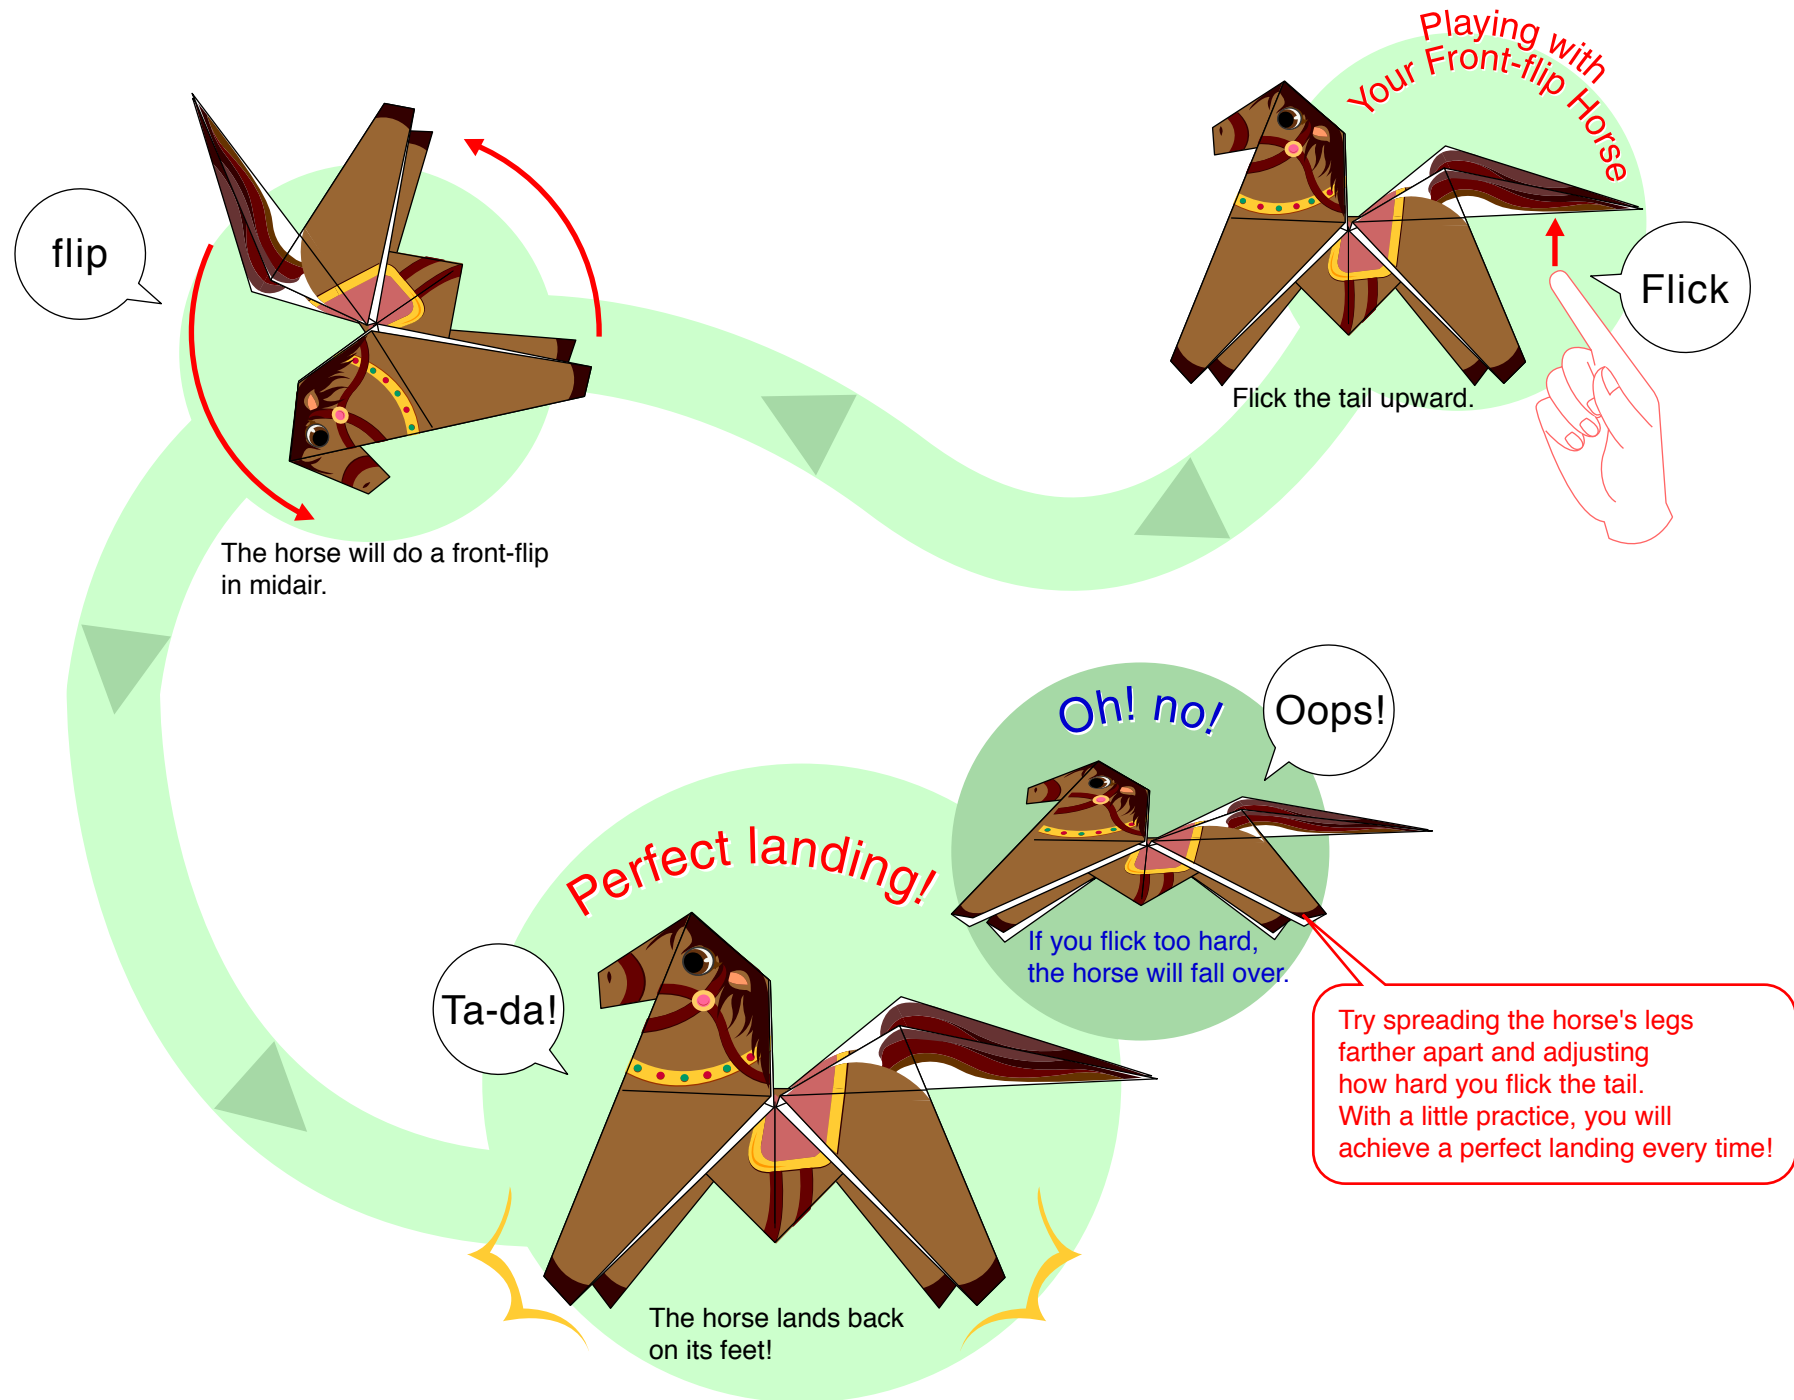

Fold the left triangle inward along line **S**.

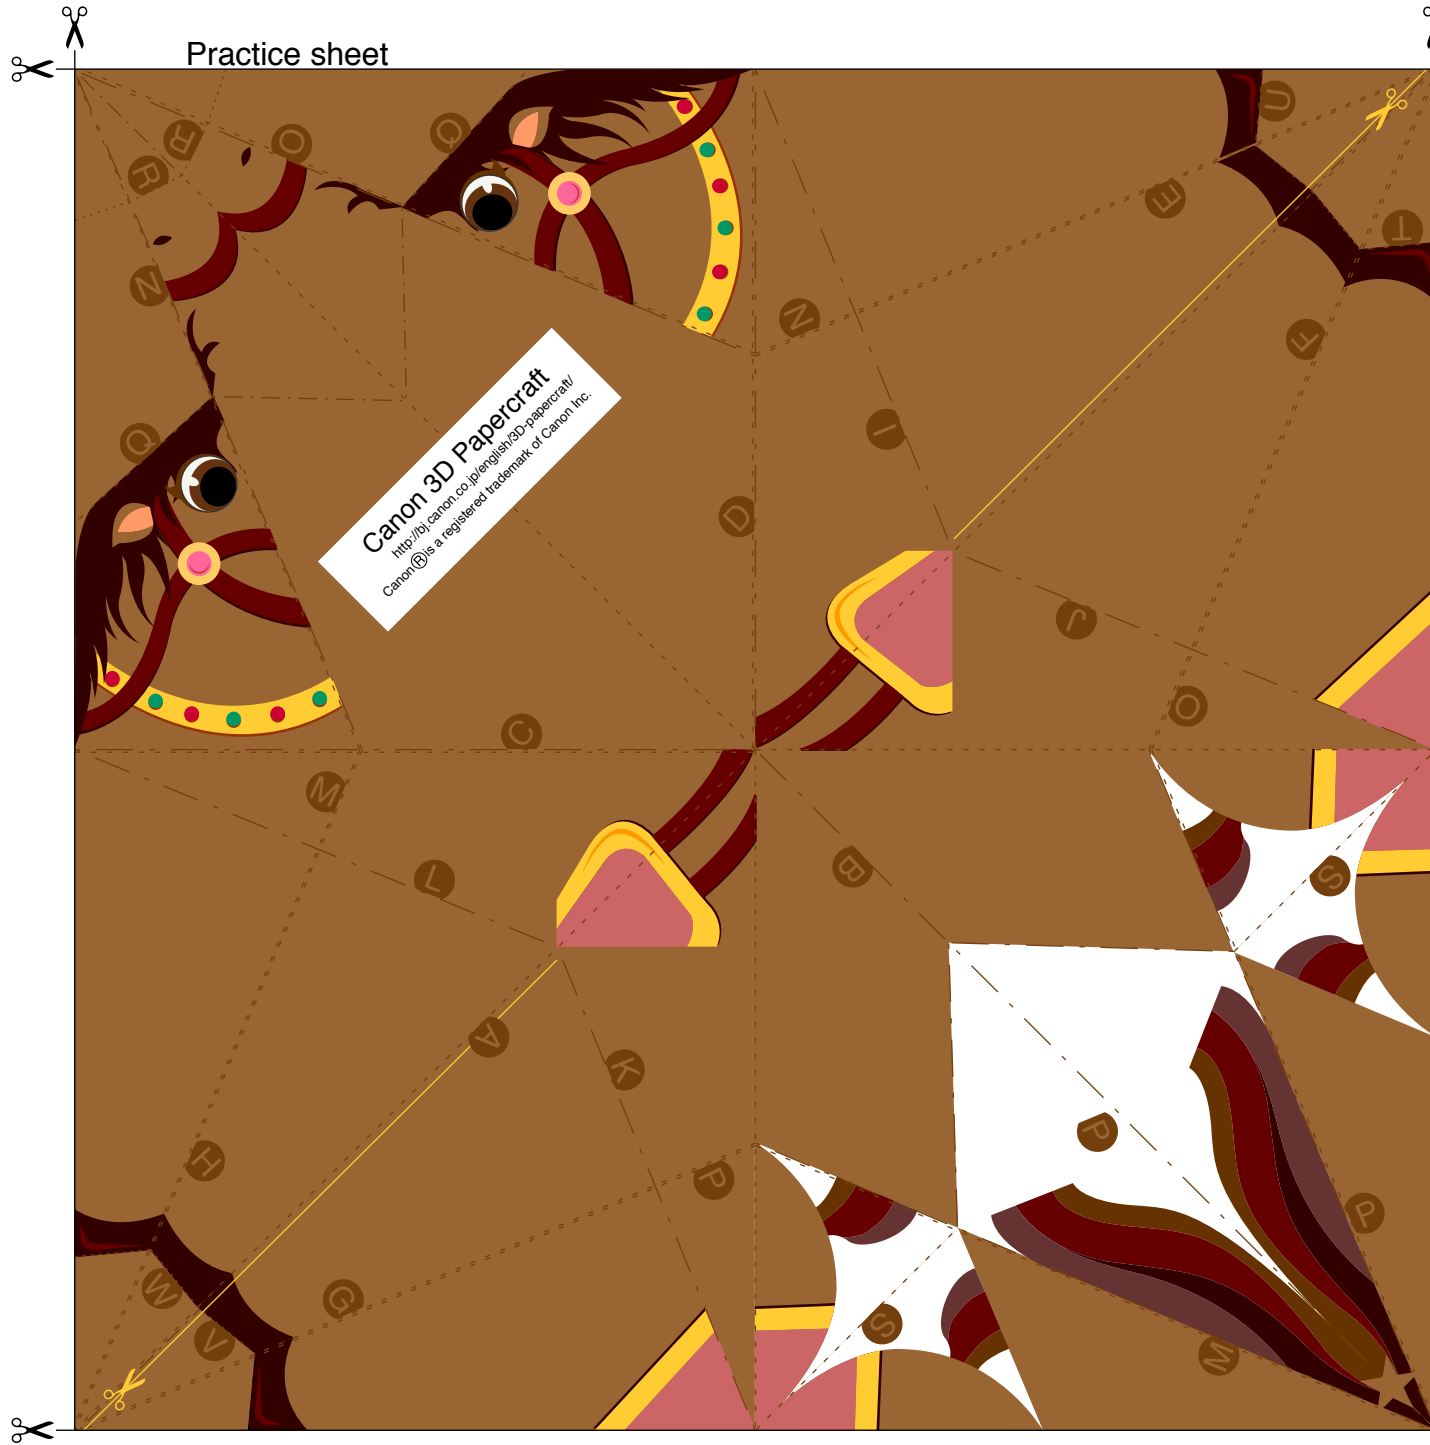

Fold the feet inward along lines **T**, **U**, **V**, and **W**.

Finished
